The Millhopper Montessori School follows the Alachua County School Board's yearly school calendar with the exception of beginning and ending dates for our Elementary and Middle School students and cannot control or be held responsible for changes that the School Board makes to the calendar. Storm/flex days have been incorporated into this calendar. Storm/flex days will be Student/Teacher holidays or Student Holiday/Teacher work days unless a hurricane or other emergency forces the closing of school. In that case, one or more of the storm/flex days would be used as make up days, depending on how many school days are lost. School events such as Field Days, Parents Nights, etc., may change if the administration and teaching team deem it necessary or advantageous. We strive to give as much advance notice as possible when a change is made.
